Here's a booklet about Baden-Powell's "two lives". His boyhood and exciting career as a soldier as "life number one" and his "second life" the period of founding and organizing the Boy Scout Movement.

It was not possible to show in pictures all the things he did in these "two lives" of his; however, you will find all the highlights.

After you have read this booklet, you will have a better appreciation and understanding of Lord Baden-Powell of Gilwell – the Founder of the Boy Scout Movement.
